'49er Celebration Opens Saturday With Special Events

The Lakeside Star

VOL. II LAKESIDE, SAN DIEGO COUNTY, CALIFORNIA THURSDAY, JULY 10, 1947 No. 16

Lively Contest for 'King of the '49ers'

Every King should have a Queen.

Lakeside is going to have a Queen of the '49 Celebration.

What is more fitting, therefore, than there should be a King by her side?

When this suggestion was made this week, it quickly caught on and before nightfall a dozen men were in the contest and many others declared their intention.

The King contest promises to be one of the highlights of the Celebration, and a number of surprises are in store.

Earl Barker, one of the leading candidates to date, remarked this week: "I'm tired of being an Earl; I want to be a King."

Entries to date and votes polled are:

LES KEPHART	311
EARL BARKER	176
OTIS BARKER	130
FRED PRINDLE Sr.	83
JOHNNY DIGENAN	25
BOB SANGSTER	25
BILL MILLER	10
TONY HELD	5
JOHN ROCCHIO	5
DANE CARENDER	5

There will be a new name at the top of the list in the beauty contest next week, if the rumor is true that nearly a hundred dollars had been collected for one girl now several names from the top.

A new tabulation was to be made Wednesday night by the Queen Contest committee.

Up until that time Betty Jane Rowe, with the strong backing of the Corral Cafe was well ahead of Marian Grayson (Bingo).

Shirley Lucas, sponsored by the Coffee Shop, had moved into third position, followed by Katie Maniscalco, who jumped to fourth.

Among the new entrants were Mary Sloan, Frances King, Barbara Jean Umbarger, Flossie Beadle and Mrs. F. Gander.

Marian Grayson, runner-up as of Wednesday last week, is a member of a riding club in San Diego. She was formerly Marian Ryan of Lakeside. Recently married, Mrs. Grayson now lives in El Cajon. She is backed in the Queen Contest by the Tumbleweed in Lakeside.

Contestant Louise Bridges was runner-up in the Queen Contest held last year.

Katie Maniscalco is sponsored by Wm. Miller; Francine Shaff by the Lakeside Hotel and Mary Sloan by the Playmore Club.

LANGLOIS on the air

It being some time since I have inflicted my gripes on you folks, and as I wanted Baker to get off to a good start, I kept out of the first edition, so now he's off, so am I. As usual, these opinions are my own and if they make you mad, call up the editor, and say so.

For the past two months I have been out of circulation in Lakeside, due to conditions that I could have averted if I had an ounce of brains, but no, when you are born dumb and trusting, you are always in some sort of a mess. This one may cost me enough to teach me something.

However, I had to have a house to live in and found out the only way to get it was to build it myself, and I did and moved in, but am not done yet. Soon as I am, I will notify my friends, enemies and neutrals—whoop—a mistake.! In my case, there are no neutrals, they either put up with me or hate me. Anyhow, as I was going to say, as soon as this domicile is painted and so on, I want you folks to come and take a look and get an earful on how to build a house for less than the national debt. This place cost me half of what it would of if some one else had done it. Enough of my affairs.

Now as to Lakeside, some progress has been made in the whisker line. Take Frank Stewart for example. If he gets anywhere near an orphan asylum, there will be some cases of panic—to say nothing of a few more. For instance, this bird Kephart. I could have trimmed that brush and made him look like Stonewall Jackson, but no, he does the trimming and if you don't know what an Amish looks like, that's it. All he needs is to cut his buttons and use string.

I raised mine for thirty days and found all the ewes bleating at me when I drove by. Not wishing to give the rams the idea I was competition, I took 'em off and will pay $5.00. Fact is, I caught myself chewing cans and tar paper a couple times, so enough is plenty.

By the way, bear in mind that next Monday, July 14, at 6 p.m. Bring a box full of lunch down to Lindo Park at the Chamber of Commerce meeting, and air your views on this '49er business. There will be no objection if you bring fried chicken, rabbit, roast beef, or in fact anything these Lakeside Farm Bureau girls want to bring, and I want to see those girls there — I know we'll eat.

Anyhow, the purpose of this '49er affair is to raise some moola to put up a War Memorial Building and the committee on this affair is really putting out the effort. The object is to get behind and support them. So, girls, be there.

See you next week.

'49er Sunbonnets Becoming Popular

Sunbonnets are to be seen on the streets of Lakeside these days.

Mrs. Alice Gibson was the first to wear one.

Following the rally Saturday night, more sunbonnets are expected to appear.

Members of the Ladies Aid are making sunbonnets to sell at $1.49. All profits will go to the War Memorial Building Fund.

New Classrooms

To meet a shortage of classrooms at the Lakeside Union Grammar School, the auditorium there has been divided into four classrooms.

A total of six classrooms is needed to adequately provide for the number of students, according to Otis Barker, clerk of the school board. A new auditorium is also needed.

Mr. Barker states that State aid for new school buildings will be available when the school district has bonded itself to 95% of its legal capacity. How much this sum is, will be determined by the 1947 tax valuation.

A sum of $44,000 is now available for new school buildings.

Open Lumber Yard On Highway 80

Carl and John Howell of Lakeside have opened a lumber yard and cabinet shop on Highway 80, 2 1-2 miles east of El Cajon.

Carl Howell USN (ret.) formerly operated a chicken ranch on the Cajon road. He and Mrs. Howell have been residents of Lakeside for 15 years.

John Howell was yard manager and mill manager for the Riverside Lumber Co., Los Angeles, for 25 years. He and Mrs. Howell live at 773 Highway 80.

On property adjoining the new lumber yard is the Hollywood Studio, owned and operated by Mrs. Helen Walton and Mrs. Irma Howell.

Farm Bureau Hears Reports on Fair

The Lakeside Farm Bureau held its regular monthly meeting Thursday evening at the Recreation Hall.

Following a potluck supper, a business meeting was held at which committee reports were given.

Members of the Farm Bureau who had taken part in the Fair and won prizes gave interesting reports.

Model Airplane Meet At Vista Sunday

A gas-powered model airplane meet will be held at the ball park in Vista Sunday, August 10, starting at 1:30 p.m.

It is announced that prizes will be awarded for speed classes A, B and C; stunting classes, Junior event and for beauty and team stunting.

The meet is sponsored by the Alvin Myo Dunn American Legion Post 365 of Vista. Admission is free, but there is an entry fee of $1 for each plane.

Dan Rossi Assists Memorial Committee

Dan Rossi, San Diego County Supervisor, has been assisting committees in Lakeside working out details of the '49er celebration.

Mr. Rossi has been appointed by Senator Wm. Knowland to publicize the forthcoming California Centennial celebration in 1949.

The '49er event in Lakeside will carry out many of the traditions of the 'Days of Old, the Days of Gold.' Use of Gold Nuggets as script, it is believed by Stanley Conant of the Memorial Committee, may be widely copied in the state when centennial celebrations get under way.

JAY DEE RAY EMPLOYED ON GEORGE R. DALY RANCH

Jay Dee Ray, who recently returned to Lakeside seeking a home and employment, has found both.

He started work last week at the 14,000 acre ranch of George R. Daly at Jamul.

This week Mr. and Mrs. Ray moved to Escondido, to be employed on a Daly ranch there. Mr. Daly raises turkeys and horses on two ranches totaling 13,000 acres and he also is reported to own a ranch and 6,000 head of hogs at Otai.

Stagecoach Runs; 'Gold Nuggets' Appear

Admission Free; Everyone Invited

A preview of the forthcoming "Days of '49" Celebration in Lakeside gets under way in the Rodeo Ground here this Saturday night, with many events scheduled, including an open air dance.

Included are a tug of war, kangaroo court and "impromptu swimming."

Two tug of war teams, one representing the Smoothies, the other the Whiskerenos, will be on either end of a stout 60-ft. rope stretched across a mud puddle. Losers will be dragged through the mire, or forfeit $5 each.

A Kangaroo Court will pass on the constitutionality of the "Lakeside Whisker Ordinance," which requires every able-bodied male citizen to grow mustaches.

QUEEN CONTESTANTS THERE

Contestants for the title of Queen and King for the '49er celebration will be presented. Fred Prindle, chairman, announces that all will be given a chance to vote for their favorites.

The main '49er celebration will get under way in Lakeside August 1, 2 and 3. Purpose of the affair is to raise additional funds to build a Memorial Building for the use of all organizations in the community.

It is hoped all people of Lakeside and the surrounding communities will turn out and enjoy the fun this Saturday night.

STAGECOACH RUNS AGAIN

Arrangements are being made to have a stagecoach on hand for Saturday night. The coach will transport passengers from uptown to the Rodeo grounds.

"GOLD NUGGETS" ON HAND

"Gold Nuggets" will be in circulation on the grounds Saturday night. Besides being used in making purchases during the evening the "nuggets" may be used later in trading at Lakeside stores.

LAKESIDE C. OF C. MEETS MONDAY

Cards are being mailed out this week by Neil Langlois, secretary, announcing a meeting of the Lakeside Chamber of Commerce, Monday, July 14, starting with a potluck family dinner at 6 p.m., at Lindo Lake Park.

It will not be a business meeting, Mr. Langlois states; however, there will be a full discussion of what's to be done at the '49er celebration.

NEW AUTOMOTIVE SERVICE AT HARRISON'S STATION

Edmond Martin of Lakeside, who was formerly employed by Homer Dow in El Cajon, is now taking care of the automotive repair work at Eddie Harrison's Mobile Service Station here.

Mr. Martin has made his home at Lakeside Farms since 1944.

Manley Rowe, attendant, is a recent employee at the station. He and Mrs. Rowe have made their home in Riverview for 3 years.

MAN ENOUGH?

It may never come to pass, but if it should—it will be one of the highlights of the Days of '49.

We refer to a little matter of who can dunk who in the horse trough on the Rodeo grounds.

Seems like Hugo Clapp and Walter Hartung are as far apart as the two poles on the subject.

Walt is a "Smoothie." Hugo is one of the Bearded Boys.

Says Hugo: "I can put Walt in the horse trough in three minutes."

Says Walt: "Huh! If I gave him 30 days to do it, Hugo couldn't put me in that horse trough."

NEW HOMES FOR SUMMIT AVENUE

Mr. and Mrs. Bruce Rosenberger, a young couple from San Diego, have bought an acre of ground through the C. Houlihan real estate office. On Summit ave., the property formerly belonged to Bruce Osborne. The new owners plan to build a home.

Also on Summit, Mr. and Mrs. B. B. Bridges have purchased an acre just east of Cajon ave. They are planning to build a cement block home. Mr. and Mrs. Bridges recently returned from a trip to Oregon, where they had planned to locate. Instead they decided that Lakeside is the best place to live. The Bridges have three children—Irene (Mrs. Harry Clason), Louise and Donald.

Considerable activity the past month in small acreage transactions in and around Lakeside is reported by C. Houlihan, local real estate broker. Among them were:

Mr. and Mrs. F. C. Fishbaugh have bought four acres on Oak dr. from Albert Reiter. A home has been started. The ground is under irrigation and will be planted to garden, citrus trees and avocados.

Chuck Newberry sold 18 acres of unimproved land one mile east of Lakeside to Don B. Thorp, Jr. The buyer is in the process of putting down a well. Plans have been drawn for a home. Mr. Thorp plans to put most of the acreage in lemons.

The W. E. Bridges home (Rocky Square House) and orange orchard have been sold to Mr. and Mrs. Ruben Asmus, a young couple who intend to make their home in Lakeside. Mr. Asmus is employed by a large meat market in San Diego. He plans to continue raising chickens and develop the 4-year-old orchard.

Mrs. Nellie P. Hopkins has purchased a home at the corner of Prospect and Woodside from Q. M. Womack.

Ten and a half acres in Lakeside Farms has been sold to Mr. and Mrs. Fred O. Anderson. It is unimproved property. The new owners are planning to build a home. Mr. Anderson has been working with his brother, R. E. Anderson, in well-drilling operations in the Lakeside area. The purchase was made from Mr. and Mrs. C. M. Lucas. The Andersons, who are now living in the Linda Vista housing project in San Diego, plan to move here as soon as their home is completed.

Seven acres belonging to Bruce Osborne have been sold to T. F. Zeglis. A home and workshop had been started on this property on Cajon ave. Mr. Zeglis plans to Cajon ave. The ground will be planted to berries. Mr. Zeglis, who plans to make his permanent home here, has a service station in Linda Vista.

SOIL CONSERVATION MEETING

The regular monthly meeting of the Soil Conservation Board was held at the office, 110 No. Orange st., El Cajon, Tuesday evening, according to E. H. Carender secretary of the board.

Smoothies Challenge Whiskerenos

A challenge hurled by the Smoothies to meet the Whiskerenos in a tug of war contest at the Rodeo grounds this Saturday night, was promptly accepted by the Bearded Boys.

Early this week Walt Hartung stepped up to Hugo Clapp and handed him an ultimatum.

One of the stipulations is that the side that loses will be dragged, man for man, through a mudhole. The rope is to be stretched over the mire.

Another event to raise money for the proposed Memorial Building, 12 men on each side will pay $1 each for the privilege of being on one side or the other of the mud puddle.

HARTUNG CONFIDENT

Walt Hartung has announced a tentative lineup that will rival the beef on a Minnesota football team. His line will average better than 3,000 lbs.

A 1¼-in., 60-ft. rope has been secured.

"Anyone who doesn't want to slide through the mudhole better stay off the Whiskereno team," Walt said with finality this week.

Hugo was not the least concerned about the weight on the Smoothie line. "We are light, but fast, and plenty tough," he said. "And we're not going to get messed up."

Both sides were fighting for the services of Eddie Harrison.

Eddie started this week to grow a set of whiskers. Asked which side he was going to be on, he said, "Guess I'll just shave one side of my face."

The tentative lineups are:

SMOOTHIES	WHISKERENOS
Walt Hartung	Eddie Harrison
George Lindsay	Frank Stewart
George McClain	Ken Oppenheimer
Doug McClain	Merton Thomas
Stewart Swink	Wilson White
Charles Foster	Art Edwards
Bob Macy	Bob Duncan
Coke Foster	Kenneth DeWalt
Bob Langlois	Les Kephart
Fritz Hartung	
Rich Clevenger	
Hank Long	
Thos. Degenan	
Eddie Harrison	

BOXING MATCHES AT "DAYS OF '49"

One feature of the Days of '49 will be boxing matches to be staged during all three nights of the celebration.

Arrangements for the bouts are being made by a Veterans of Foreign Wars committee, headed by Les Kephart.

According to A. A. Metting, in charge of publicity for the veterans organization, it is planned to invite top-notch Navy boxers. A ring and mats have been secured from the Navy.

Entertainment in between bouts is also being arranged for, Mr. Metting states.

Better Play Safe And Buy a Badge

Smoothies are continuing to step up to pay their "Smoothie License" and get a badge which carries immunity from a ducking in the horse trough.

According to E. H. Carender, '49er Celebration treasurer, the following have now purchased Smoothie badges:

Ben Hamann, Rev. Philip Lascelles, T. R. Pearce, Elmo Clark, Fred Prindle, I. C. Cooper, William Kuhner, Bob Potter, Freddie Prindle, B. J. Conrad, Thos. F. Helm, Dane Carender, J. W. Sherer, C. Rupert Linley, George Adams and E. H. Carender.

Mr. Carender says the season is now open on Smoothies without badges. He suggests all men without whiskers purchase a badge without delay. A Smoothie Badge may be bought for $5 from Mr. Carender at his office in the rear of Cecil's Drive In.

Whiskerenos thus far entered in the contest for the fanciest, fullest, reddest, or blackest beard are: Ed. J. Perpic, C. J. Sutton, Frank L. Stewart, Leland Barker, Bernard L. Barchus and Hugo Clapp.

Says There's Gold In Poway Tunnel

Bill Howard, construction worker on the San Vicente aqueduct, says the workers on the Poway tunnel recently uncovered a strata of gold-bearing ore 500 feet inside the Poway tunnel.

He declared the piece of ore he picked up would assay $200 a ton. The 6-in. vein, though 200 feet from the surface, crops out on the surface in one place in the vicinity, Mr. Howard said.

Work is said to be completed on the Poway tunnel three miles from Lakeside.

Well Drillers Plan To Build on So. Main

Fred O Anderson and his brother R. E. Anderson, well drillers here, have purchased property on South Main st., adjoining Ken Oppenheimer's Welding Shop. They plan to erect a building, with show room and shop to be used in their business.

The firm is now drilling a well on the Neilson ranch on Highway 80. They recently finished a well for Bruce Osborne; another one for Matt Donohue at Alpine.

Name C. H. Foster "Farmer of Week"

Clarence H. Foster, successful dairyman and farmer of Lakeside, was honored last week at the San Diego County Fair by being named "Farmer of the Week" for the State of California.

In addition to the honor, the award carried with it a jeep—gift of the Willys Company.

It is understood that the manufacturers of this war-famous midget auto are giving away eight cars this year to farmers in the nation who have made outstanding contributions to their communities.

Mr. Foster's name was selected from a field that had been narrowed down to six. He is said to have received five of the six votes cast by the judges for first place.

Mr. and Mrs. Foster are the parents of eight sons and three daughters.

He is president of the San Diego County Farm Bureau and is president of the Board of Trustees of Grossmont Union High School. He has been active in civic affairs in Lakeside and San Diego county for many years.

Plans Free School On Auto Carburetion

Guy A. Domen of San Diego is contemplating a school for local garage and service station men. He will give instruction in automotive electrical system and carburetion.

He plans to run the school in Lakeside approximately six weeks, one night a week, between the hours of 7 and 9 p.m. Time and place have not yet been decided.

There is no fee. The only requirement is attendance of at least four out of six classes.

Those taking the course would have the use of all available equipment.

Mr. Domen asks all interested to call H. 4-3266 and name a night most convenient.

Writes Play

S. D. Cole, manager of the Marks Dollar Store in Lakeside, has just completed a three-act comedy "She Wouldn't Say Yes," which an ex-servicemen's club in San Diego plans to produce some time in October.

The club has 14 members, each of whom received three or more decorations in World War II.

Mr. Cole, co-pilot of a B-24, served in the Chinese theater, based at Kwanghan. He won three decorations for missions and valor.

Mr. Cole studied journalism at Northwestern University.

New Janitor for Lakeside School

Julius Anderson of Riverview is the new Janitor at the Lakeside Union School, having assumed his duties July 1. He will be assisted by his sister-in-law, Mrs. Lucille Tetrault. Mrs. Tetrault and her daughter, Joan, are living at the home of Mr. and Mrs. Anderson.

Emil Nagler, who had temporarily taken over the janitor's job after Mr. Gibson resigned, will go back to driving a school bus.

POSTAL NOTES

Last Friday was Independence Day—one of eight holidays observed by the Post Office.

The windows are closed, but don't get the idea that everyone goes to the beach or the mountains and has a swell time. Oh, no! The Mail must go Through.

The regular clerks and the rural carrier are told to stay home. They, being regulars, are entitled to the holiday with pay. The auxiliary clerks are reduced to one who may work two hours, and she and the Boss are to handle the receipt and dispatch.

The star route from Ramona does not operate on Sundays or holidays, but the other two make the same number of trips.

The smaller offices along the route are closed so the mail comes thru much earlier. Rodriguez is not held at Julian or Lakeside so he turns around and comes right back, stopping only at Ramona, Lakeside, La Mesa and El Cajon. Friday the afternoon mail was dispatched at 10:30 a.m.

It takes a little time to sort the incoming mail and put it in the boxes, but we usually get through by 3 o'clock.

The Office Boy.
